# Stop Discrimination Against Pet Lovers in Florida Condos

It is time that all pet lovers in Florida be allowed to have pets, regardless of where they live. Currently, condo boards are able to arbitrarily ban residents from keeping pets, which is unfair to the hundreds of thousands of responsible citizens who want to be able to enjoy the companionship and many health, physical, and social benefits that pets provide.

Join us  
**Tuesday, May 29th, 2018**  
**5:30pm – 7pm**  
**at the Humane Society of Broward County**  
**2070 Griffin Road, Fort Lauderdale, 33312**

Scheduled speakers:

-  Announcer: Danny Finkelstein, Energy Healer
-  Keynote Speaker: Elaine Geller, VP of Legislative Affairs at Amercanex and professional lobbyist in Tallahassee and Washington, will speak on how to change Florida state law so all families in Florida can have a dog or cat at home.
-  Marni Bellavia, Animal Assisted Therapy Manager for the Humane Society of Broward County will discuss the value of having your dog certified through the Canine Good Citizen (CGC) test.
-  The Pet Project will speak about their many programs that help keep pets with their people, including some new programs to help when pet parents pass away or become incapacitated.
-  Citizens for Pets in Condos will discuss what their organization has been doing to encourage condos to welcome pets and how citizens can help in the effort.

This is a free event • Light vegan, kosher refreshments served  
Music provided by Jon Elkaim, Handpan Musician • Questions? Please call 954-266-6822
